ABOUT US

ENTERPRISE INTRODUCTION

Foshan Yunxiu Decoration Materials Co, Ltd Founded in 2012 is a leading supplier of composite products with over 10 years' experience in producing durable, performance-improving and cost-effective composite solutions to a wide range of industries. We help companies of all sizes unlock the power of composites, and our client base includes businesses in the Industrial, Construction, Rail, Transport, Landscaping, Marine and Leisure sectors.

There are reasons we believe to make us a qualified& satisfied supplier to our clients

- 1. We've kept investing in products' R&D, thus enabled us obtaining much more experience in composite products' upgrade than our competitors. For now we've launched 2 different generation products, which provides our clients with more options.
- 2. Based on our marketing research, we are confident to offer our clients competitive prices based on reliable qualities.
- 3. We have our products tested by third parties to issue formal quality testing reports and we assure our clients of punctual lead time. We are proud of our sales network having expanded to more than 60 countries all over the world, and it keeps growing.
- 4. We care a lot about sales& field installation, For any question regarding any aspect of the composite products we can provide you professional advice and solutions.
